

## A Guide to Education Provision

**Version 2.**

Each young person's education is 'made to order' to help them understand and work to their best ability.

We will do this by;

- Developing a made to order education plan
- We work with the young person to find a learning style that works best for them
- We support the needs of the young person in all of their school day
- We listen to what the young people have to say

During the school day we will teach your child the following subjects.

- English
- Science
- Mathematics
- Literacy/ Numeracy
- History
- Geography
- Food Technology
- Art/craft
- Physical Education
- Personal, Social and Health
- Religious Education
- Business Studies
- ICT
- Citizenship
- ASDAN
- Life skills

We want our students to learn about as many different, interesting topics as possible.

We want them to take part in the lessons and have interesting things to say during the lessons.

We want them to feel safe and enjoy their time with us

We have several Special Educational Needs trained staff to work with your child and we will try to teach them to overcome any difficulties they may have.

We think it is very important to work with the young people on all aspects of their behaviour and we expect all of the people at the school to behave in a respectful way.

**Useful information:**

Head of Education Services  
Susan Evans **Ma Ed, Ad Dip SEN, PG Dip Ed**

Head Teacher  
Anthony Mackee *BSCHons, PGCE*

Teacher  
Jo Edwards *CERTman.care, CELTA, CELTYA*

Teaching Assistant  
Katie Sharp

**Contact details**

Mrs S Evans  
Head of Education

**Telephone Number:**

01903 608750  
[sue.evans@child-first.co.uk](mailto:sue.evans@child-first.co.uk)

DfES Registration Number:  
938/6228

**School Opening Times**

Monday to Friday 9.30 am to 3.30 pm

## **Information**

You will receive the following at the end of term

- A school report
- An individual education plan

You will be invited to attend parent meetings where you can speak with the teachers and see the work achieved by your child.

## **Preparation for Leaving**

We will work with the students to prepare them for moving on to college or to work. We do this in several ways; in the classroom, going to career meetings, attending interviews. All of the young people in our care will have a plan showing them where and how they will be moving on to the next part of their lives.

I hope you have found this to be helpful and if you have any questions please telephone and will try to answer them for you.

Regards

Sue Evans
